- Free poster set for teachers

'My name is Feenagh. I've been using the *Soul Seekers* programme for the past year. What I like best is the quality of the content. There's sufficient material for each of the learning outcomes. I don't have to look for extra material. I also recommend the *Soul Seekers* website where there is high quality material for digital learning.'

# Look Up!

*Look Up!* is a new digital programme for Transition Year Religious Education.

- Student content is presented on slides, shown from the teacher's whiteboard or screen.
- Links to videos, music and other resources embedded on slides.
- Detailed teacher notes and instructions along with discussion questions and classroom activities, visible only from the teacher's device.
- The presenter notes that accompany the title slide for each lesson describe or list the lesson aim, learning outcomes, key concepts, glossary terms and teaching strategies.
- Content covered is inclusive of all the major world religions.
- Topics include Ritual and Prayer, Eucharist and Reconciliation and Different Understandings of Jesus.

- The student journal is designed to enable students to record their personal thoughts and feelings about all the things they will learn in the *Look Up!* programme during their Transition Year.
- The student journal also includes a comprehensive glossary of terms used over the course of the programme.

The *Lighthouse Programme* is a faith development programme for Transition Year or Fifth Year students who have agreed to be 'Lighthouse leaders', to enable them to accompany sixth class pupils who will be receiving the sacrament of Confirmation. Over fifteen school weeks, it comprises a leadership training module and a peer ministry module, and invites older students to become actively involved in leading catechesis for Confirmation. The Lighthouse Programme issues an invitation to those who wish to seek and to develop their faith by sharing it with others.

New Horizons is a digital module-based programme for Senior Cycle non-exam Religious Education. The first three modules (now available) deal with life as a journey, climate justice, and finding meaning through art. A new module on The Life of Jesus will be available for September 2024.

- The focus is on exploration and discovery, leading to action.
- Clearly defined learning and faith goals.
- Teachers choose which modules to teach.
- Lots of video and audio content.
- Creative individual and group activities.

- Closing prayer or other reflective activity at the end of each unit.
- Suggestions at the end of each module for additional resources on the topic.
- Future modules will cover topics such as Morality, Social Justice, and Meditation.

10002543 | €100 per school

**Seek & Find**

KATERINA BRODERICK, ELAINE COSTELLOE AND BRENDAN O'REGAN  
EDITED BY AILÍS TRAVERS

[seekandfind.ie](http://seekandfind.ie)

Responding to feedback from teachers, we are pleased to offer one book to cover Fifth and Sixth Year. This book is based on the NCCA Curriculum Framework for Senior Cycle Religious Education and is the first text of its kind to cover all eight sections of the Framework. It is for Senior Cycle students who are not taking Religious Education as a subject in the Leaving Certificate examination.

**Online resources include:**

- Web links, videos and worksheets for each lesson
- Video interviews specifically matched to textbook content
- Links to daily and Sunday Mass readings

9781847305114 | €19.99/€16.99

**Into the Deep**

TOM GUNNING

*Into the Deep* is also written in response to the Curriculum Framework for Senior Cycle Religious Education. It is divided into four sections: Images of God; Ritual and Prayer; Doing Justice; and Story. It invites students to reflect on more authentic ways of living in contemporary society in the context of faith and tradition.

9781847300218 | €14.99/€12.75
